

Yurikago Nursery 39 Facility Guide (2025–2026)

A Warm, Safe Harbor in Bangkok

Fully supporting your child's first steps into society
in an exceptionally warm and secure environment.

The Yurikago Advantage: Three Pillars of Care

Global & Local Integration

Daily **immersion in English**, seamlessly supported by **Japanese language** assistance (including Japanese staff member Mr./Ms. Yamamoto) to completely remove the language barrier for parents and children.

Intimate Care

1:3 Caregiver-to-Child ratio.
Exceeds legal standards to ensure meticulous attention to safety and individual development.

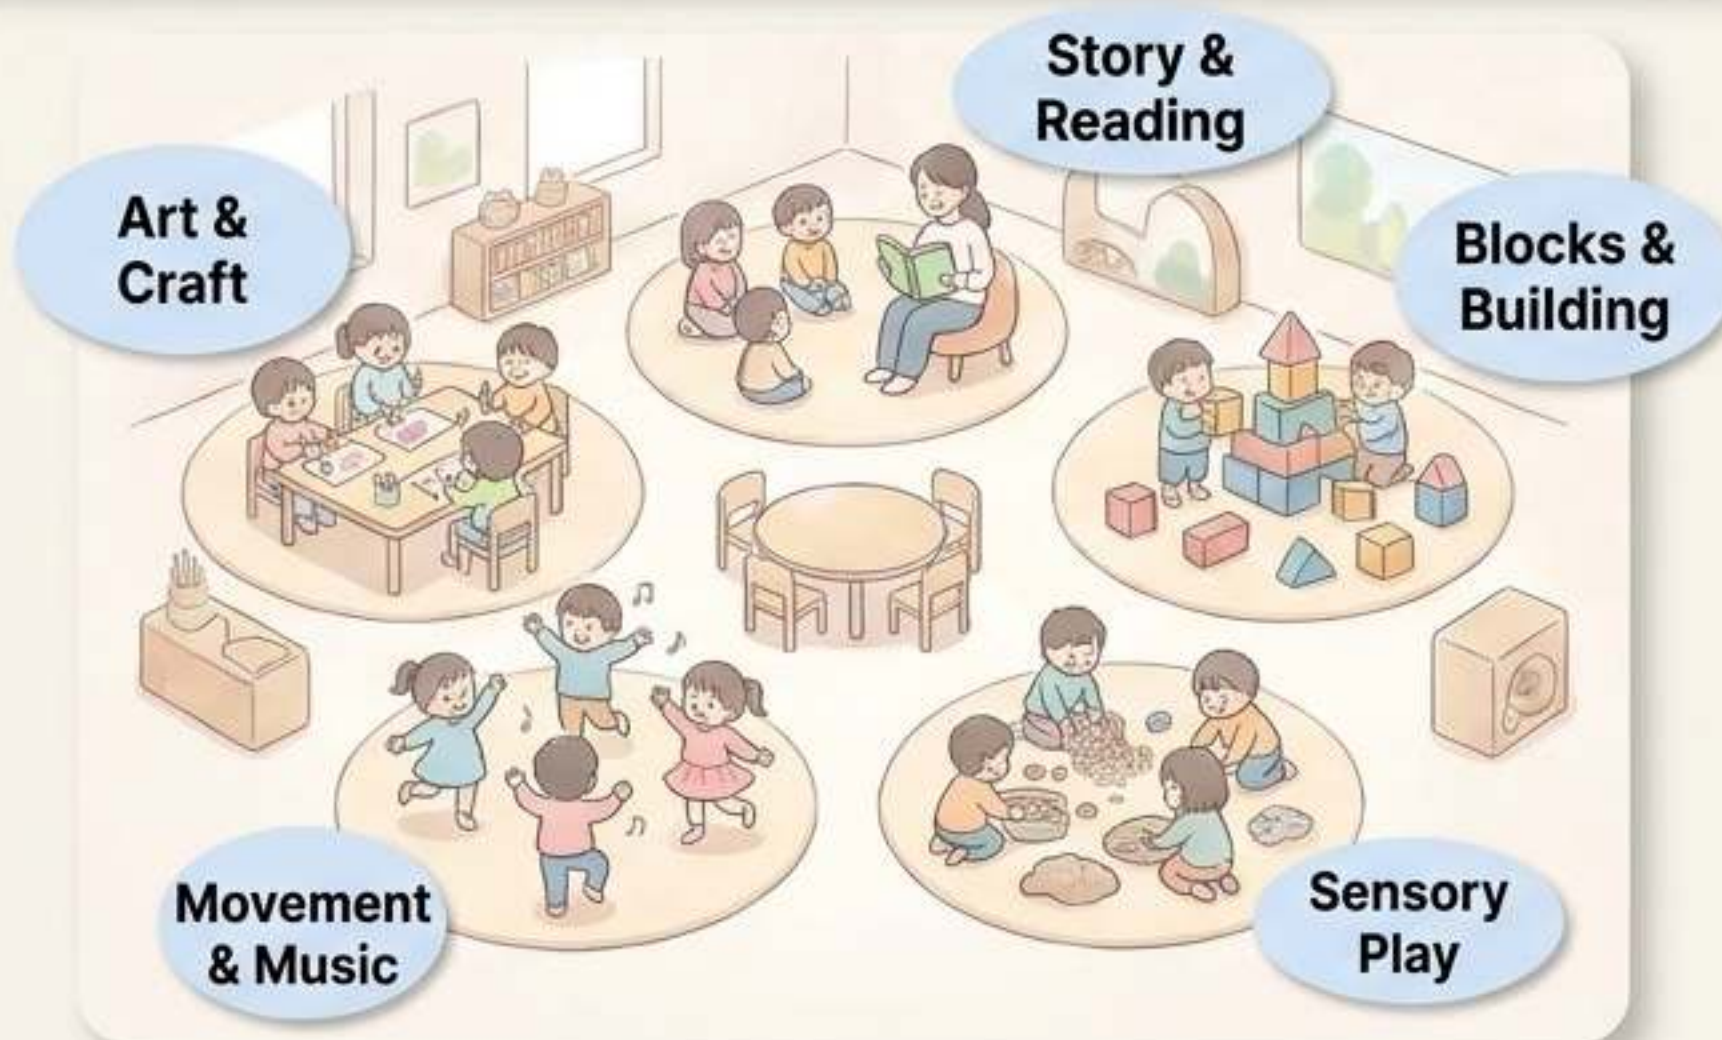

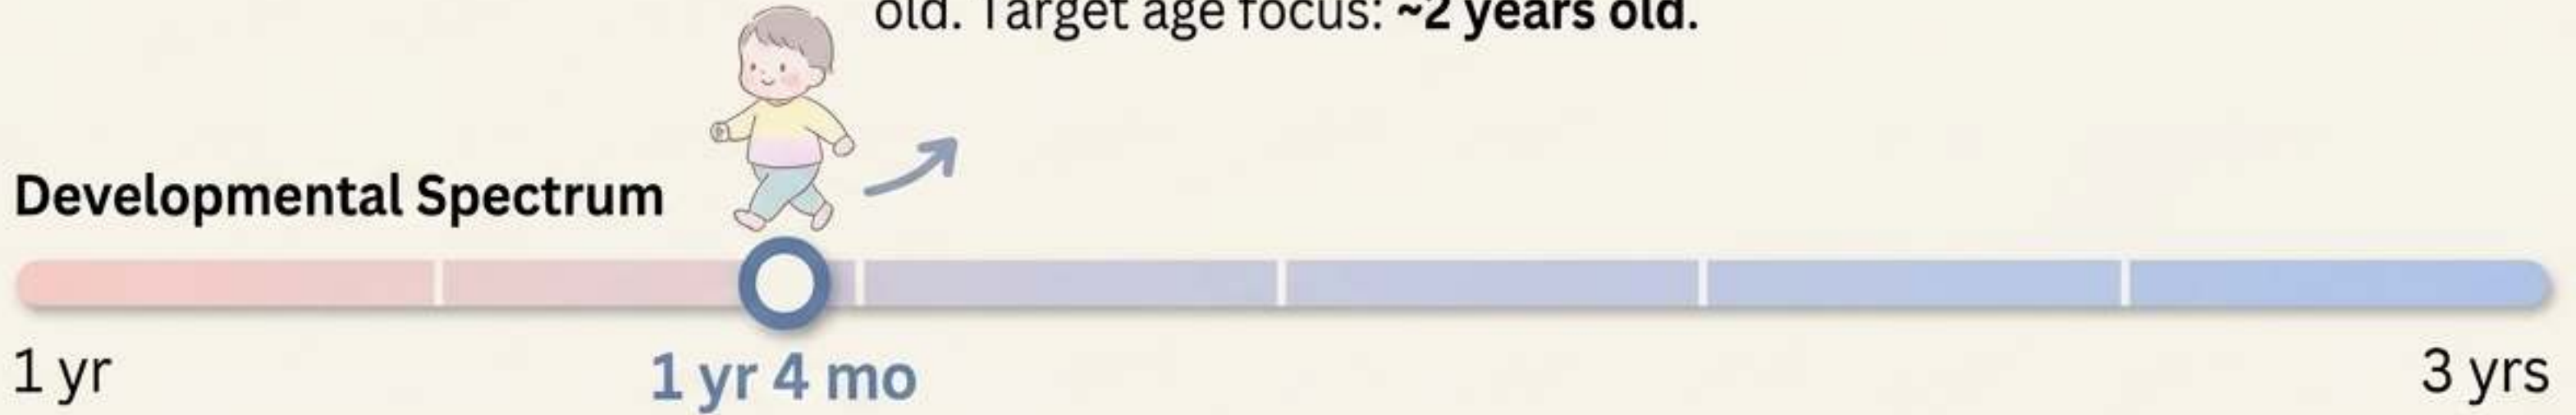

Professional Education

Not just babysitting, but an **"educational daycare program"** led by teachers with rich experience in international and Japanese kindergartens.

A Stage-Based, Flexible Learning Environment

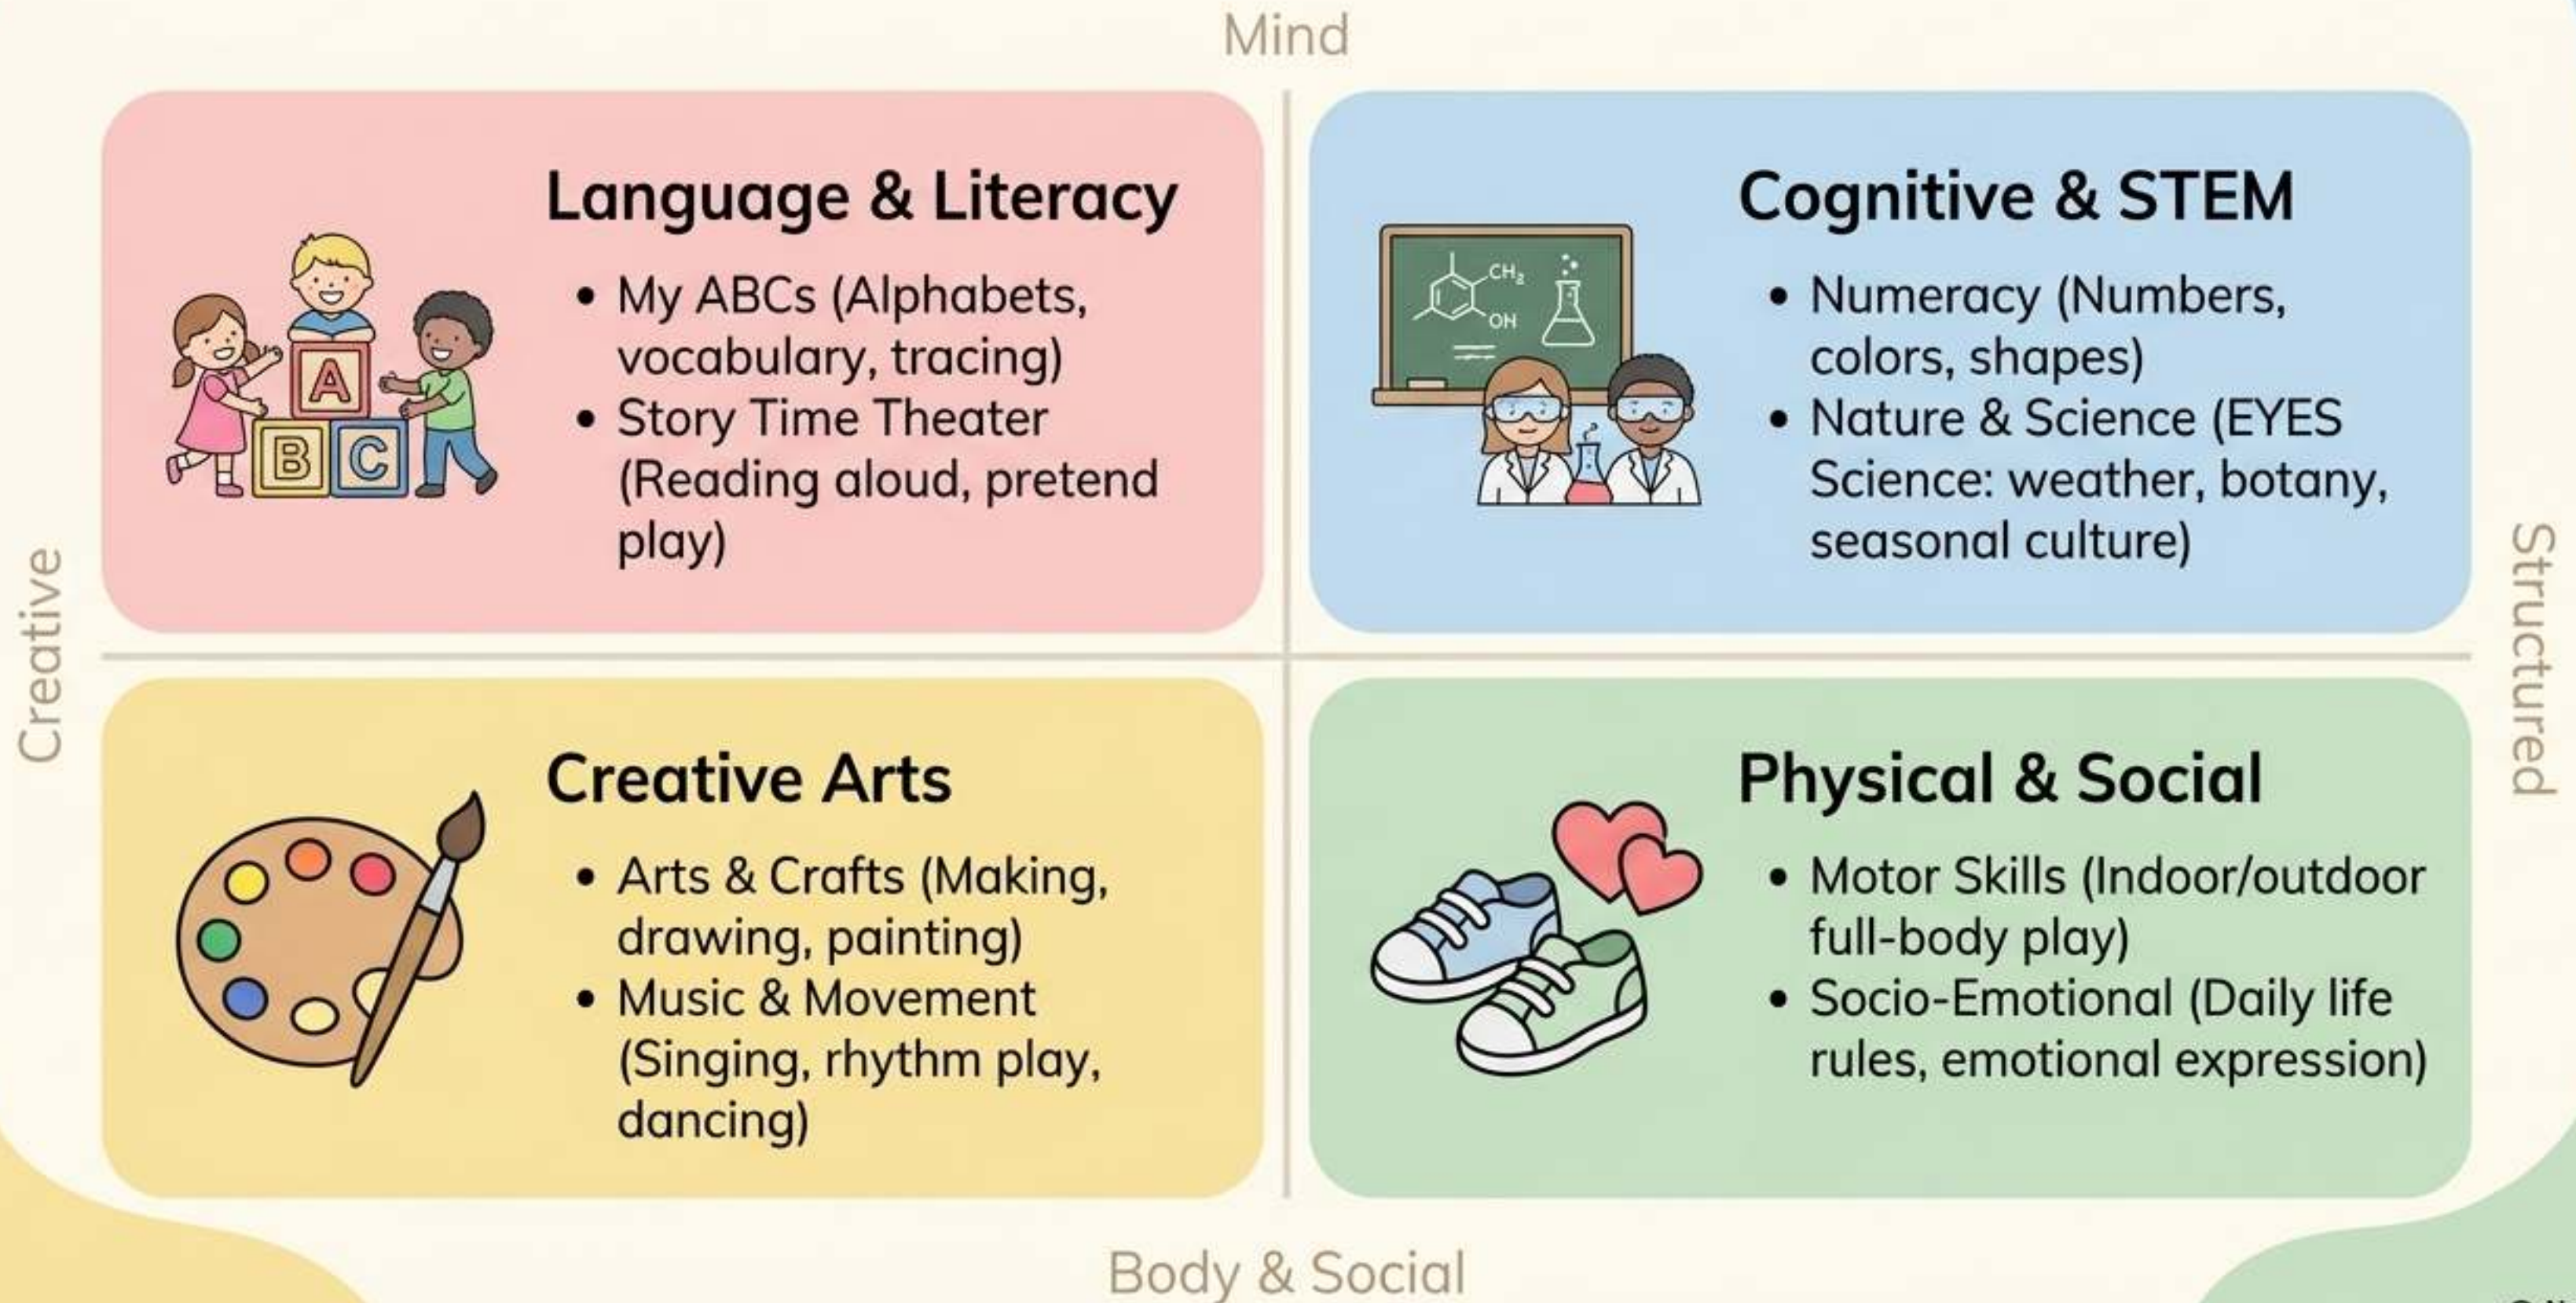

Accepting children from approximately 1 year and 4 months (once walking is steady) up to 3 years old. Target age focus: **~2 years old**.

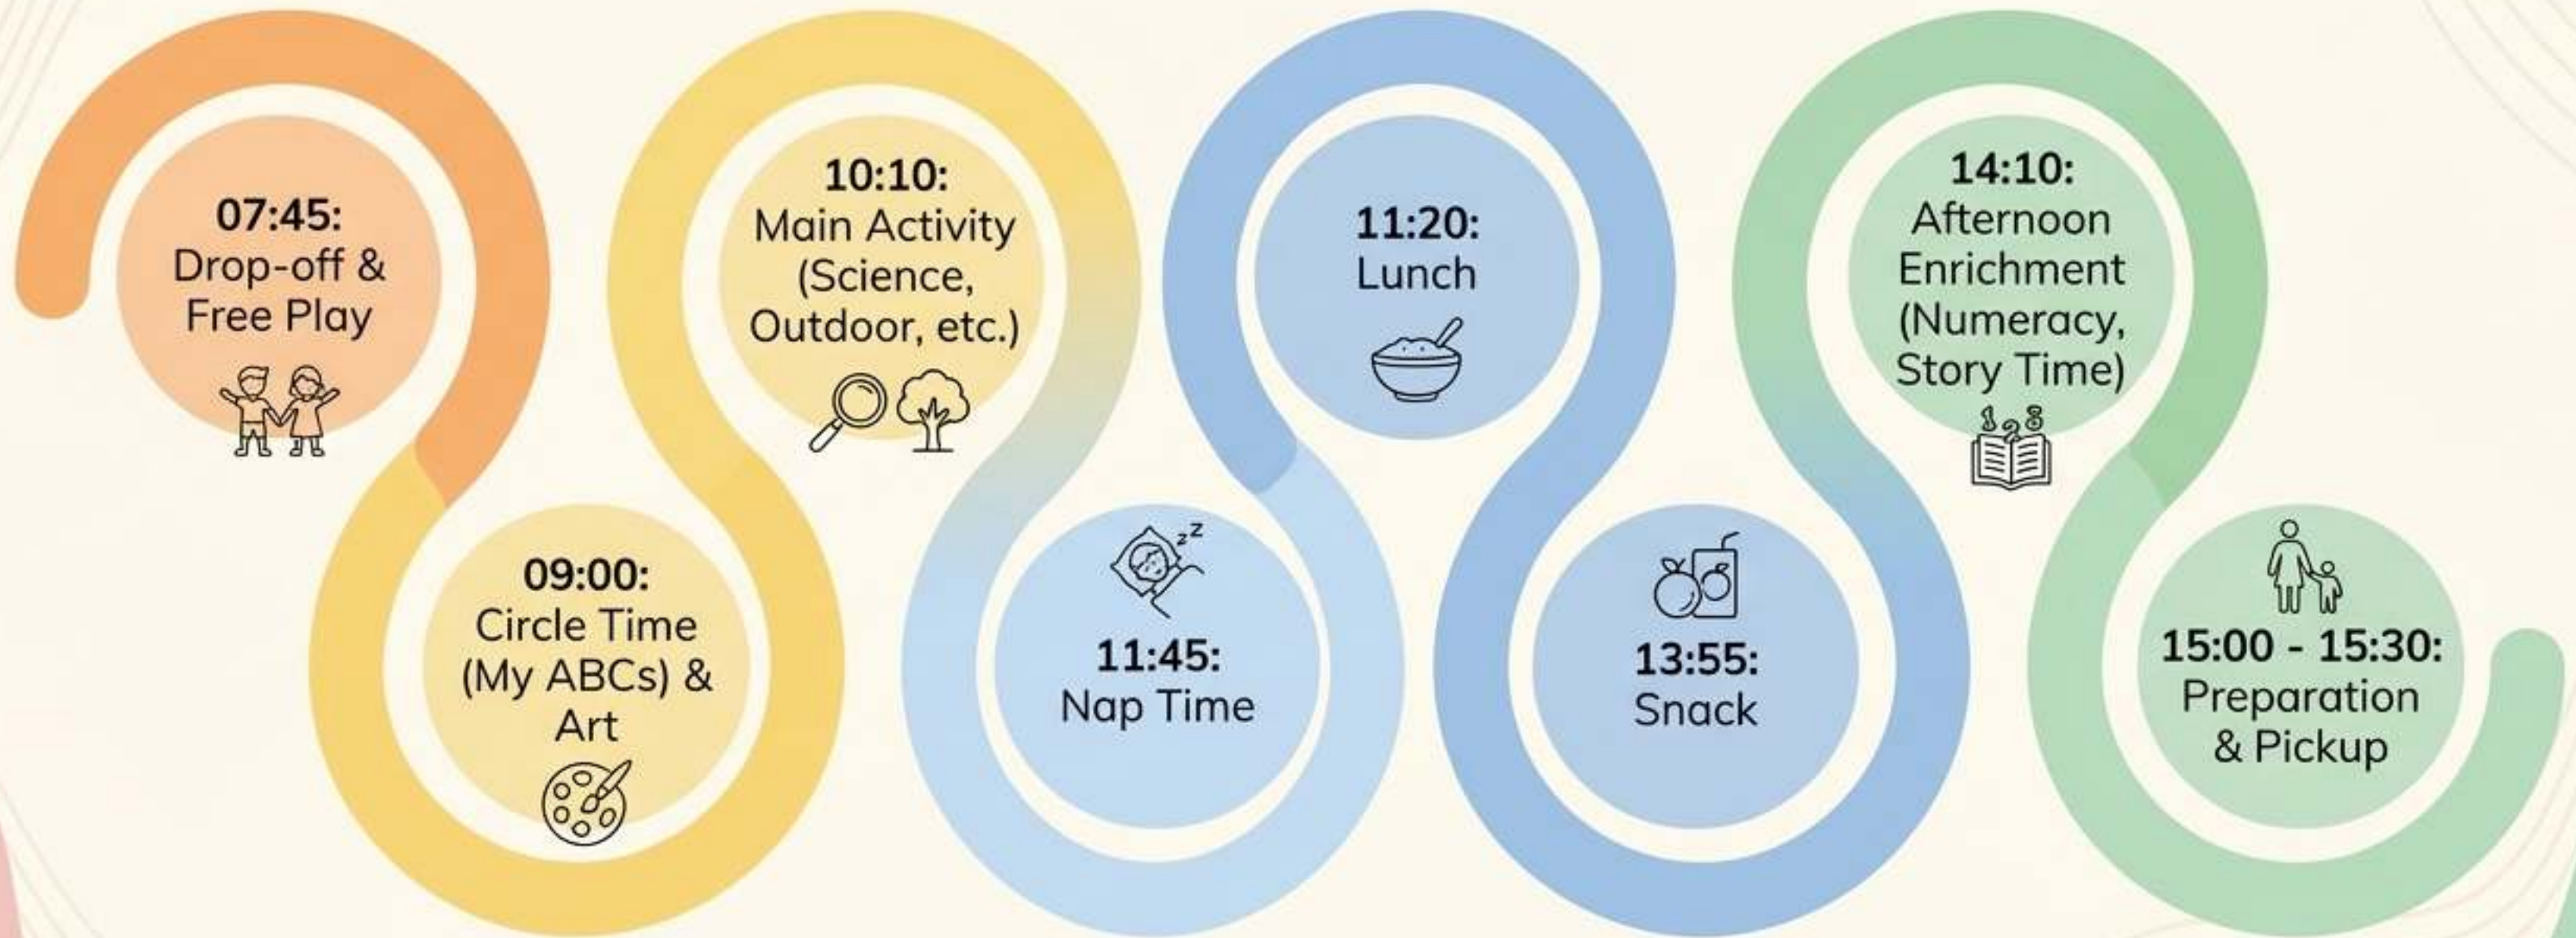

The Approach: No Fixed Classes

Children are dynamically grouped at specific tables based on their unique developmental stage and daily interests.

Holistic Development: The 4-Domain Curriculum

The Daily Rhythm: Nurturing Growth and Comfort

Note: Regular hydration, diaper changes (4x daily), and handwashing are seamlessly integrated into this schedule.

Individualized Daily Care Built Around Your Child

Meals

Delicious, nutritionally balanced lunches and snacks tailored to this crucial period of taste development.

Important Note: Allergy-removal meals are not provided. Parents are welcome to consult about bringing a packed lunch.

Nap Time

A flexible approach. For children with shorter sleep cycles or those who struggle to rest, we provide a separate, quiet room for calm play so they are not forced to sleep.

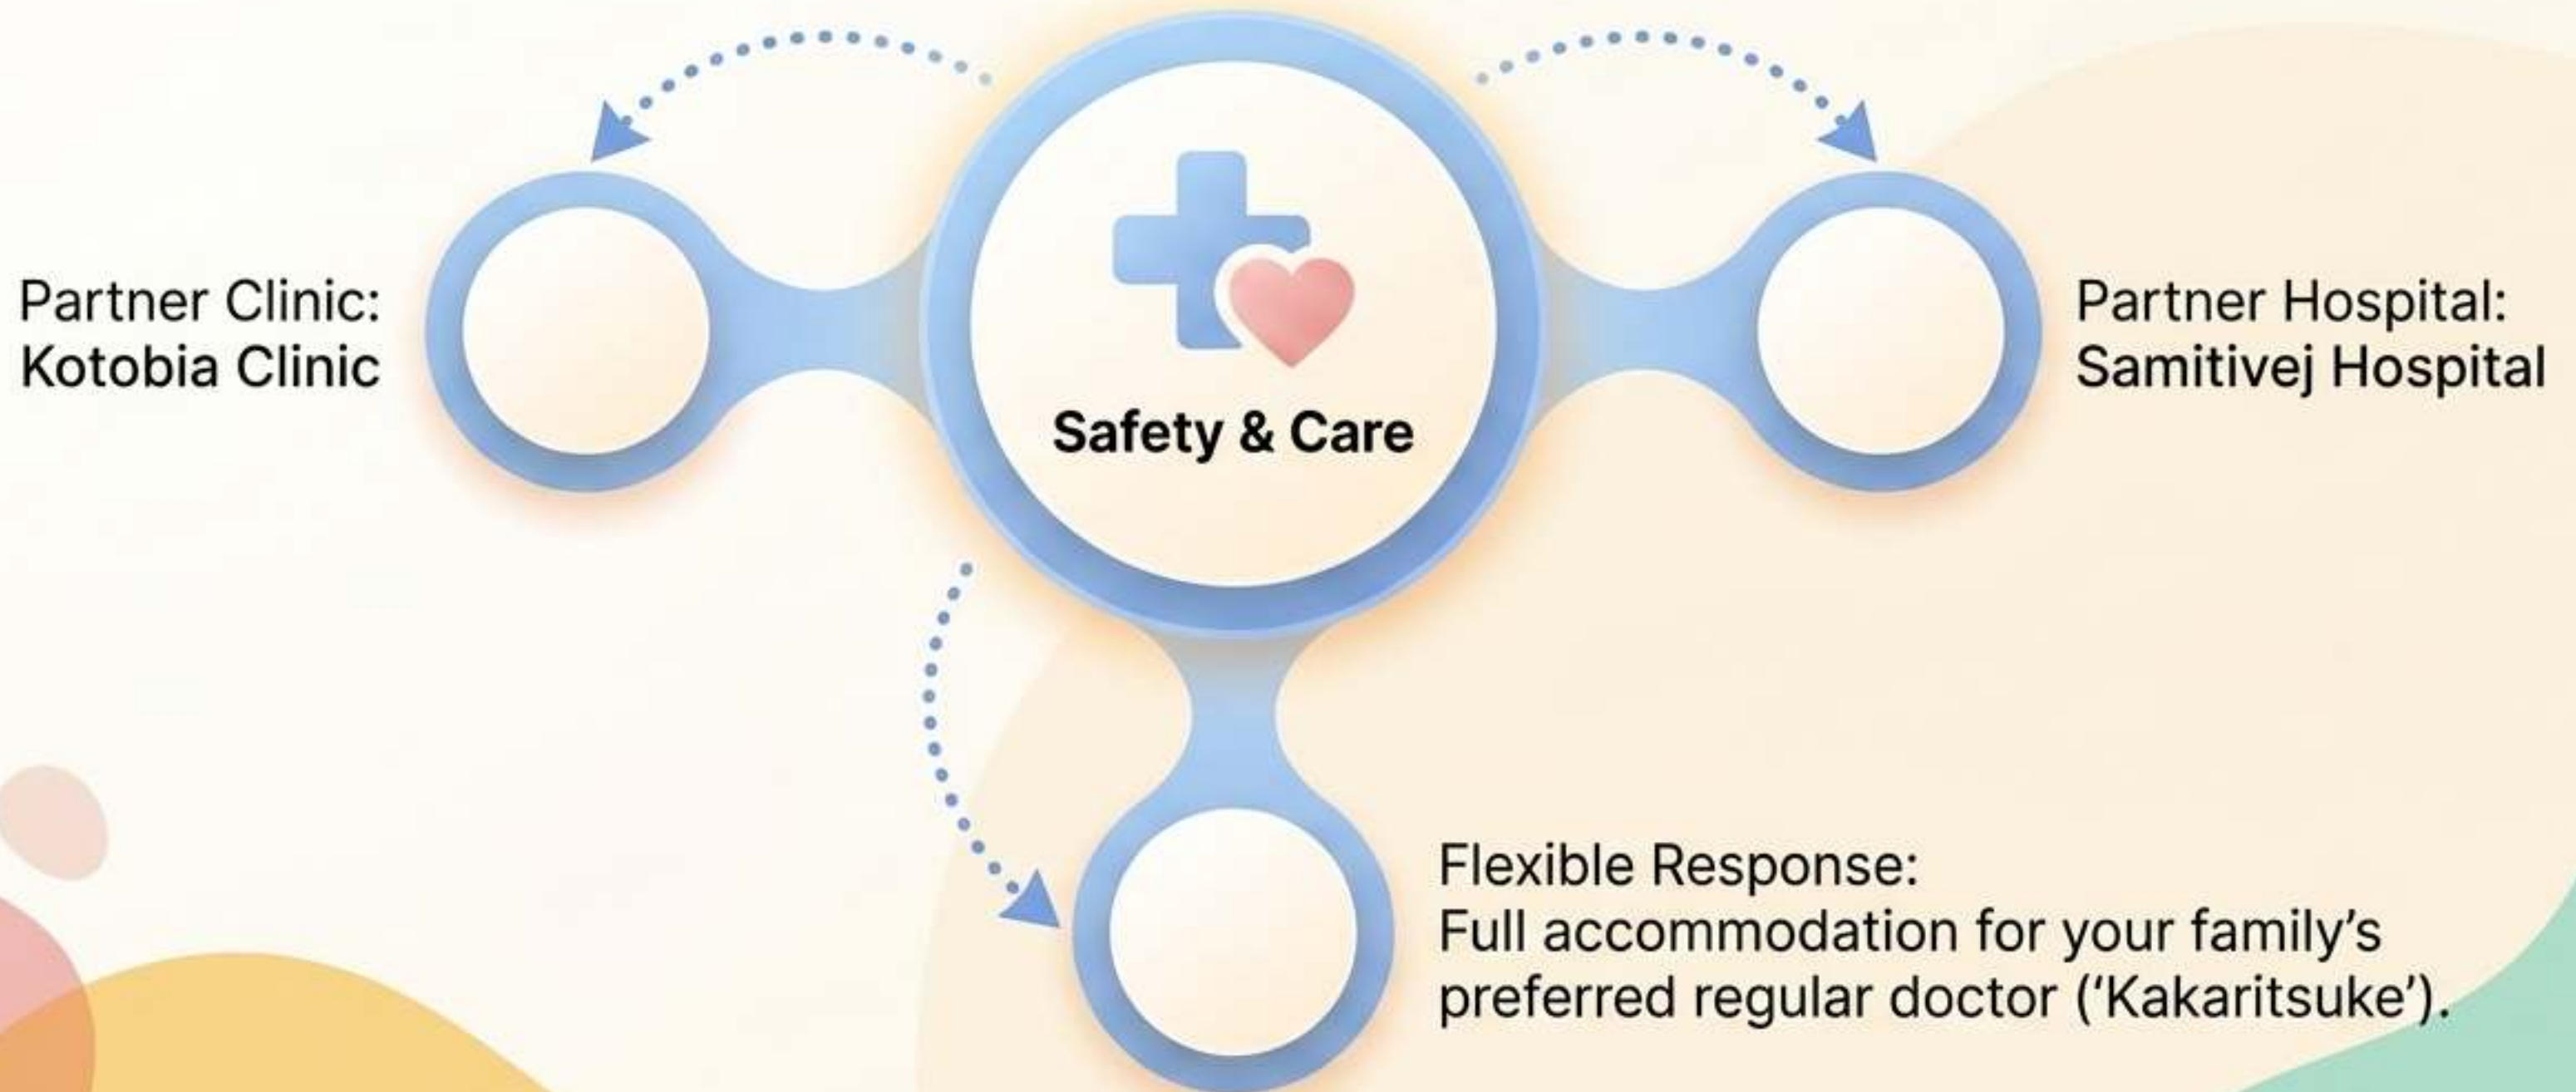

Toilet Training

Seamlessly coordinated with your family's timeline. We align with the pacing you establish at home—please feel free to consult with us.

Bangkok Medical & Safety Network

Fully prepared for sudden illness or injury through strategic partnerships with **major medical institutions** in Bangkok.
